Quicklisten:

My audio quality is less than ideal for this because I had a crash and lost my raw audio, so I had to use the Mumble recording for mine. But you know what? It doesn't matter because see title.

Also Paden got WAY too drunk.

Just the Tip

- "Use Signal, use Tor."

Notes

Starts at **5m22s**.

I was drinking cider I mulled. Paden was drinking Buckeye vodka with cranberry juice. Jthan was drinking Busch beer. Amayer was drinking water and maybe whiskey (Tullamore Dew). Beaches was drinking Balvenie Caribbean, 14 year. Kate was drinking boxed white wine "that's a little too old". Dranx is an Aussie so he joined us for his lunch break (so he wasn't drinking). Nosbig's drinking water, maybe wine. TheLight was drinking Boardroom gin.

- I ain't takin' notes on this, just listen. It was mostly just shooting the shit, but it gets a bit serious with Johnny answering Paden's free consultation request.

15 Clams

In this segment, Jthan shares with you a little slice of life. The title is a reference to this video. (2m16s in)

Starts at **1h56m26s**.

Jthan wants you to know it's okay to leave your job.

Errata

- None so far!
