Quicklisten:

The season 3 shitshow! With us we had: amayer, beaches, clamsmaloney, forge, kateo, and nosbig!

- News
- Notes
- Sysbadadministration Award
- Errata
- Music

News

- Related to a YouTube feud, an individual has performed a Weev-like printer campaign.
 - Alternate source.
- Humble Bundle had a leak.
- Starwood Marriott has been breached since 2014.

Notes

Starts at **11m42s**.

I was drinking from an assortment: Porterhouse's An Brain Blásta, Shock Top Lemon Shandy, Woodford Reserve bourbon, and 21st Amendment's Hell or High Watermelon. Paden was drinking Glenlivet scotch, Coors Lite, water, and Absolut vodka. Jthan was drinking Michter's unblended american whiskey. Beaches was drinking Wasmund's single-malt whiskey (apple brandy barrel finish). Kate was drinking a Red Bull. Clamsmaloney was drinking coffee and Red Bull.

- The shitshow! With us we had:
 - Amayer
 - Beaches (who also joined us for S1E22 and S2E22)
 - Clamsmaloney
 - Forge (who also joined us for S1E11, S2E22, and S3E12)
 - Kate
 - Nosbig (who also joined us for S1E22)
- Forge was able to immediately guess what movie I was thinking of, it was Night of the Creeps
 - The alien wasn't green, he was a pinkish colour.
 - He was clearly holding a capsule.
- The rest is stuff you'll just have to listen for!

Sysbadadministration Award

In this segment, we highlight system administration mistakes. Think of them as the IT equivalent of the Darwin Awards. (m s)

Thanks to a convenient typo, Rudy Guliani got pranked.

Errata

- There was probably a ton of errors stated. Let us know if you find any.
